

Debbie began as Project Manager with Atelier in 2008 and completed the Texas Accessibility Academy the same year.

She is responsible for all of the administrative support in our office including:

- Handling communications, correspondence, meetings & scheduling
- Contracts & Proposals
- Accounts Payable & Receivable
- Marketing and Customer Service
- TDLR Project submittal and project registration including monitoring state deadlines

She maintains hundreds of project files and performs all tasks related to ensuring these files stay updated with the state and clients from beginning to completion. Her organizational & time management skills keep Atelier on track to make certain our clients receive the excellent & reliable service they depend on.
